SFS Connect

Teacher Portal — A Quick Guide

For our teachers · Launching Session 2026–2027

1

What is SFS Connect?

One app for everything you do as a teacher — no more paper registers

SFS Connect is the school's official portal. Everything you used to do on paper — attendance, the class register, marks, homework, notices — now lives in one secure app on your phone or computer.

Attendance in seconds

Mark your class and your own check-in with one tap.

Marks & homework online

Enter marks for your subjects; post homework to students.

Always informed

Notices, schedule and exam dates pushed straight to you.

Safe & private

Your own login — you only see your classes and subjects.

Logging In

Your Login ID and password are given to you by the school admin

1

Open the app

Open SFS Connect on your phone (APK) or visit the school website and tap “Login Portal”.

2

Choose the Teacher tab

On the login card, tap the “Teacher” role tab (Student is selected by default).

3

Enter your Login ID

Type the ID given by admin, e.g. SFS/2025/001. Tick “Remember my Login ID” so you don't retype it.

4

Enter your password & tap Login

Tap the eye icon at the right of the box to reveal your password. Forgot it? Tap “Send reset email”.

5

Change a temporary password

If you see a purple banner, your password is temporary — open My Profile and set your own.

Your Dashboard

The home screen — your day at a glance, every time you log in

1

Self Check-In card (top)

Tap once when you reach school to record your own attendance (GPS-tagged).

2

Four stat cards

My Students, My Class, Homeworks Posted, and your Subject(s) — your numbers at a glance.

3

Today at a Glance

Quick chips tell you if class attendance is still pending and any new homework.

4

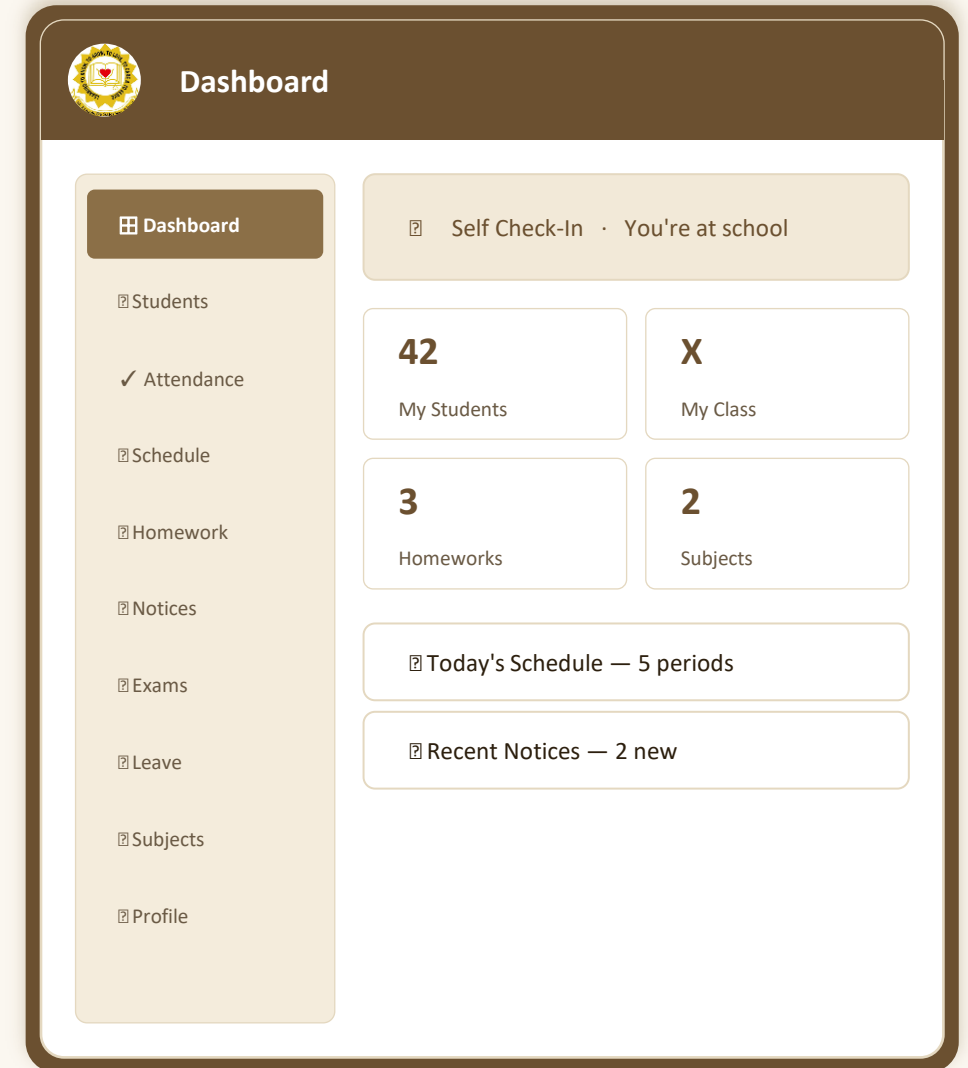

Today's Schedule & Notices

Your periods for today and the latest notices from the office, side by side.

5

Side menu

Use the left menu (☰ on mobile) to jump to any section: Students, Attendance, Marks and more.

4

Marking Attendance

Your class register — plus your own GPS check-in — done in seconds

1

Tap Self Check-In on the Dashboard

When you arrive at school, tap it once. The app records the time and your location automatically.

2

Open Attendance

From the side menu, tap “Attendance”. Today's date is selected for you.

3

Mark each student

Tap Present or Absent beside each name. The totals update live at the top.

4

Save

Tap Save to record the register. You can re-open and edit it the same day if needed.

Tips & Getting Help

A smooth start — and who to call if you're stuck

Do

- Log in once and tick “Remember my Login ID”.
- Mark attendance early in the day so totals are correct.
- Save your work — tap Save after marking or entering marks.
- Allow location & notifications when the app asks (for check-in & alerts).

Avoid

- Don't share your Login ID or password with anyone.
- Don't worry if a feature says “coming soon” — rollout is in phases.
- Don't use another teacher's login — you'll only see their classes.

Need help?

- Tap “Forgot password → Send reset email” to reset your password.
- For login or account issues, contact the School Office / Admin.
- Keep the app updated for the latest features.

Welcome to SFS Connect

Less paperwork. More teaching.
