5. Try not to absent your child from silly reasons for days together. His/her studies may be affected and hampered his/her will to continue schooling, thus your efforts may not be rewarding.

6. In case of emergency to take leave from school. Be free to tell us and also leave a note with us after you have consulted us. But no child will be allowed to leave the school premises before time even in emergency, unless his/her responsible parent (except on questionable relationships) comes to take the child by himself/herself.
7. Check your child's school bag, books and instruments - before and after school. Do not entertain anything the child has which does not belong to him/her.
8. This is a private school, which has not been helped by anyone. Therefore you must help us by paying regularly your tuition fees, to make you free and happy. Tuitions fees are for 12 months to be paid monthly.
9. If you have any suggestions for improvement of the school, or you have any complaints to bring to our notice. Please be free to do so, with politeness and simplicity; in person and during office hours but not by phone.
